RESPONSE TO NOTICE OF ALLOWANCE

The applicant's representative filed an Information Disclosure Statement (IDS) on April 2, 2002. The Examiner indicated that the Form PTO-1449 was not attached to the IDS. The applicant hereby files a Request for Continued Examination, and re-submits the IDS and Form PTO-1449, along with copies of references that are not U.S. Patents.

The applicant thanks the Examiner for allowing claims 1-18. The applicant requests that the Examiner re-consider the claims in view of the references disclosed in the re-submitted IDS.

The fact that the applicant has not commented on the Examiner's statement of reasons for allowance does not mean that there are not other good reasons for patentability of those claims and other claims.

Please apply \$395 for the required fee, and any additional charges or credits to our deposit account 06-1050, referencing attorney docket 08987-013001.

Respectfully submitted,
